

KLOVE is my radio station of choice here in OKC/Norman, OK. I believe the local community benefits tremendously by its positive and encouraging music and messages. I have personally heard how much of a difference KLOVE makes in the lives of young and old alike. Myself and many other would be devastated if K-Love was displaced by an LPFM broadcaster providing other programming. The music and service KLove provides is a staple in my life. I believe KLOVE infuses our community with positive thinking and sound principles on which to live by. It is definitely in the publics best interest to have KLOVE available in our community. I would be devastated if an LPFM made it impossible to receive.
